

# VERTU VIN

---

**Label:** Black Oystercatcher

**Appellation:** Rosé 2008

**Grapes:** 50% Black Oystercatcher Cabernet Sauvignon, 50% Black Oystercatcher Merlot

**Analysis:** Yield: 7 t/ha, Residual Sugar: 1.97, Alcohol: 12.5%, Baling at harvest: 22, Total acid (g/l): 5.8, Best Drinking: now – 3-5 years

**Notes:** The 2008 Rosé is an equal blend of Cabernet Sauvignon and Merlot grapes. This distinctive red berry fruit on the nose, with strawberry and pomegranate aromas originates from the unique way the two grapes are fused. The wine lingers in a dry, crisp and mineral taste on the palate.
